

Dear legal guardians
of schoolchildren from the kindergartens, primary and secondary schools in the City of
Adliswil

The summer vacations are about to begin – summer vacations that you, the children and we had to earn honestly. But the coming weeks are also under the unpredictable influence of the corona virus. It is therefore important for us to inform you about the federal and cantonal guidelines and directives that currently apply.

Should you wish to spend your vacations abroad, we urgently request that you comply with the following instructions: The Federal Council decided on July 1st, 2020 that travelers entering Switzerland from certain regions must remain in quarantine for ten days (applies from July 6th, 2020). The Federal Office of Public Health (FOPH) maintains a list which is regularly updated. You can find the list on the FOPH's website: <https://www.bag.admin.ch>. The persons concerned are informed upon entry and must report immediately to the cantonal authorities.

The quarantine regulations also apply to schoolchildren. Should you and/or your children travel to countries that are subject to quarantine regulations, the school must be informed. Please contact us in such cases or if you have any questions:

Zurichstrasse 8

Please note that travelling to countries with quarantine regulations for your children means that they may not be able to attend classes from the start after the summer vacations. During the entire quarantine period, there is no entitlement to distance learning!

For this reason we appeal to you to plan and spend your vacations carefully. If you should travel, you should regularly inform yourself about the regulations that apply when you return to Switzerland. By protecting yourself well, you are protecting all children and employees of the Schools in Adliswil. We thank you for this. And we are convinced that you will be able to recreate well. This is our wish to accompany you in the coming weeks!

Kind regards

Dr. Markus P.H. Bürgi, City Councilor Education / School President
Dr. Jann Gruber, Head of Education, City of Adliswil
